

## Workshop: Climate Engineering Regulation and Liability

16 – 18 October 2017

University of Kiel // Internationales Begegnungszentrum // Kiellinie 5 // 24105 Kiel

### Preliminary programme

#### Monday, 16 October 2017

- 14.00 h Welcome and agenda (*Martin Quaas*)
- 14.15 h Keynote talks liability  
Assigning responsibility of extreme weather impacts to countries (*Friederike Otto*)  
States, incentives, and law in solar climate engineering (*Jesse Reynolds*)  
Compensating harms from solar geoengineering (*Josh Horton*)
- 15.45 h Coffee
- 16.15 h Contributed talks
- 17.30 h Discussions
- 20.00 h Dinner (Kanü restaurant, [www.kanue.de](http://www.kanue.de))

#### Tuesday, 17 October 2017

- 9.00 h Keynote talks modelling  
On the usefulness of models for liability (*Olivier Boucher, IPSL/CNRS*)  
Accounting for uncertainty and heterogeneity (*Kate Ricke*)
- 10.00 h Coffee
- 10.30 h Contributed talks
- 12.00 h Discussions
- 12.30 h Lunch (on board MS Stadt Kiel, [www.salonmotorschiff-stadt-kiel.de](http://www.salonmotorschiff-stadt-kiel.de))
- 15.30 h Keynote talks regulation  
An Economic Anatomy of Optimal Climate Policy (*Juan Moreno-Cruz*)  
Title tbc (*Sjak Smulders*)
- 16.30 h Coffee
- 17.00 h Contributed talks
- 18.00 h Discussions
- 20.00 h Dinner (Schöne Aussichten, [www.schoene-aussichten-kiel.de](http://www.schoene-aussichten-kiel.de))

#### Wednesday, 18 October 2017

- 9.00 h Contributed talks
- 10.00 h Coffee
- 10.30 h Discussions
- 12.30 h End of workshop
